NEW RELEASES

MIRROR - KIT VIPERS - 27TH OF JUNE 2025

Kit Vipers, the Ukrainian-born, Barcelona-based singer-songwriter known for his cinematic piano ballads and soul-baring lyrics, returns with his third and final pre-release single, "Mirror", ahead of his debut EP *I Won't Break: Songs of Storm & Stillness*.

A touching reflection on clarity, connection, and post-chaos healing, *Mirror* offers a tender and introspective moment in an already emotionally rich catalog.

Built around warm piano textures and stripped-back vocals, *Mirror* brings listeners face-to-face with the quiet revelations that follow hardship, and the simple grace of being loved no matter what.

While previous singles *I Won't Break* and *Say I Do* explored resilience and devotion, *Mirror* leans into vulnerability as a source of strength. It's a song that doesn't shout its truth but whispers it, echoing the stillness that follows the storm.

This release perfectly captures Kit Vipers' unique space in the modern indie landscape: intimate yet expansive, deeply personal yet universally resonant. Supported by a growing international audience and a grassroots promotional campaign, *Mirror* is a fitting final chapter before the full EP drops: a song for anyone rebuilding, remembering, or just quietly carrying on.
